Dear Parent/Carer

Mount Waverley Secondary College is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising, making payments or volunteering your time. This has made a huge difference to our school and the programs we can offer.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/carers contributions make a significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children. Your contributions and support in 2024 allowed us to organise and coordinate rich, extensive programs outside of the traditional teaching and learning programs, together with;

- specific subject materials and equipment for English, Mathematics, Science, Art, Music, Technology, Language and PE
- delivering an extensive Student Wellbeing program
- being able to deliver a wider offering of subjects and special curriculum experiences ensuring the upkeep of our computer devices to enhance learning opportunities and maintain a commercial grade high speed internet across the school to improve the delivery of online learning programs supporting the curriculum, server, and ICT system costs
- the college council contribution, which allows for employment of the school's maintenance team, nursing team and additional equipment, vital materials, and essential resources for First Aid
- continuing to develop and enhance our grounds and indoor and outdoor learning spaces.

The financial contributions we have received this year is significantly lower than in previous years. This is likely to have an impact longer term to the college's financial viability in turn impacting what resources we can offer our students.

Therefore, we encourage our wonderful college community to continue to provide positive financial support for the college through parent contributions and fundraising efforts.

Mount Waverley Secondary College is a proud diverse learning community, where everyone is empowered to strive for growth and excellence. We strive to achieve our vision through the establishment of an ordered and nurturing environment that;

- sets high expectations
- develops confident learners with the skills, knowledge and attributes to reach their intellectual, social and personal potential
- promotes participation and engagement in learning within a supportive and caring environment
- establishes strong community relationships in a climate of mutual trust and respect
- fosters a culture where enthusiastic and highly skilled staff feel supported, motivated and committed to providing the best educational outcomes for all our students
- delivers a broad range of curricular and co-curricular programs that rigorously prepare students for all post school pathways using agreed high quality practice teaching and learning strategies

Positive student, parent/carer and staff relationships are highly valued. The college emphasises the importance of 'Community, Choice and Engagement'. We value your support in partnering with us to provide your student with the best possible education and opportunities.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
