

# STUDENT CODE OF BEHAVIOUR

#### **GUIDING PRINCIPLES**

Mount Waverley Secondary College is a vibrant school where learning is valued and students are empowered to become lifelong responsible learners, where the varying talents of students and staff are recognised and celebrated and where excellence and efforts are rewarded.

Every member of the college community has a right to fully participate in an educational environment that is safe, supportive and inclusive. Everyone deserves to be treated with respect and dignity. The code aims to achieve and promote relationships that are productive, co-operative and non-discriminatory within the college community.

Positive relationships, good performance and effort are publicly recognised through a variety of mediums and forums including within the classroom, home group, year level assemblies, the college newsletter and Presentation Night.

Role models are provided through the student leadership and other activities and programs within the college. At the college students are able to work in a secure, orderly, cooperative and supportive environment, where effective learning and teaching takes place.

A well-established student management structure is in place at the college. Students work with their teachers, year level coordinators, Subschool Leaders, Heads of School, Campus Principals and members of the Student Services team including the Student Wellbeing Counsellors and Mental Health Practitioners. This structure supports students and their families and ensures issues are dealt with quickly, appropriately and consistently across all year levels within the college.

Students' behaviour contributes to their educational, social, emotional and physical development and to the development of those around them. At the college students are actively involved in their programs and schooling. Key priorities include whole school engagement, high levels of attendance and clear behavioural expectations. This ensures a highly predictable environment that allows students to understand what is expected of them and what they can expect from each other.

Mount Waverley Secondary College staff or any person undertaking child-connected work <u>will not</u> undertake any form of corporal punishment as a method of student discipline / student behavioural management (or for any other rationale). Mount Waverley Secondary College in line with DE requirements and morality explicitly prohibits such.

#### **CONSEQUENCES FOR BREAKING SCHOOL RULES AND POLICIES:**

Student engagement, regular attendance and positive behaviours will be supported through relationship based whole-college and classroom practices.

When a breach of this code occurs, and within the framework described below, a graded sequence of sanctions apply. As far as is practical, and when deemed necessary, parents/carers will be contacted when there has been a breach of the code. The Student Code of Behaviour is available on the college website. In some cases of severe misconduct, levels may be skipped. Individuals and individual circumstances will be taken into account when sanctions are applied.

Your cooperation as a member of our college community is assumed. All school rules and consequences apply while students are at the school, engaged in school activities, representing the college and on the way to and from school.

**First level behaviour:** this level is guided by the 5 Rs, and will involve the classroom teacher and student. It could involve interventions such as:

- ✓ Remind: reiteration of the Student Code of Behaviour and positive reinforcement of expected behaviour and standards
- ✔ Relocate: moving student within the class
- ✓ Refocus: withdrawal from classroom privileges
- ✔ Restore: restorative conversation with student, teacher and YLC
- ✓ Consequence: a lunchtime or afterschool detention may be issued

**Second level/more serious incidents/subsequent:** this will involve the Year Level Coordinator and/or Head of School or SubSchool Leader and could involve interventions such as:

- ✓ Counselling, reinforcement of expected behaviour and standards
- ✓ Community service duties
- ✓ Detention
- ✓ Exclusion from class
- ✔ Parent/carer contact and/or student support group meeting
- ✓ Conferencing with class teacher
- ✓ Close monitoring and reporting of a student's behaviour in each one of their classes each day
- ✓ Temporary or permanent placement in another class

**Third level/Serious incidents/ consistent poor behaviour:** this will involve the relevant SubSchool Leader, Head of School, Campus Principal and/or College Principal and could involve interventions such as:

- ✔ Parent/carer contact and student support group meeting with relevant students involved
- ✓ Suspension (procedure and grounds for suspension are outlined in Student Engagement and Inclusion Guidelines)
- ✓ Expulsion (procedure and grounds for expulsion are outlined in DE's Student Engagement Policy)

#### **CAMPS AND EXCURSIONS**

Students who have breached the Student Code of Behaviour may be excluded from excursions and camps. This will particularly apply to students who incur any form of suspension. Students attending a school camp will be required to sign a Student Code of Behaviour form as part of the camp process [see Camp Policy and Procedures].

#### **EXAMINATIONS AND TESTING**

Examinations and/or testing are held throughout the year. It is expected that all students respect the rights of others to concentrate on the examination to enable each to perform to their best.

Any disturbance that affects the rights of other students under examination or test conditions will be regarded as a serious breach of the Student Code of Behaviour. The following procedure will apply:

- 1. The student will be given one formal warning by the supervising teacher
- 2. A second incident will result in removal from the room and instruction to report to the appropriate Head of School or Campus Principal
- 3. Consequences may include one or more of the following; contacting parents, loss of the examination mark on the student's record, a record of the incident in the student's report for that subject
- 4. Please note that breaches of Victorian Curriculum & Assessment Authority (VCAA) exams will be reported and dealt with by VCAA which oversees the implementation of external VCE exams. These consequences can include: cancellation of all or part of the exam paper, cancellation or alteration of grades and other consequences as deemed necessary. See also the college VCE Policy Handbook for further information.

All staff on exam supervision will monitor students and deal with incidents as outlined above.

**Note:** All VCE students are subject to the requirements outlined in the VCE Policy Handbook. Any breaches will be dealt with in accordance with the VCAA Administrative Handbook (covering both VCE & VCAL)

# **USE OF LAPTOPS AND OTHER DEVICES**

All students at the college are able to use devices. Students in Years 7,8 and 9 use a laptop device and students in Years 10 or VCE must bring their own device. There are clear guidelines as to how these devices can be used within and outside the classroom. Please refer to the ICT/Digital Technology User Agreement.
