

CAMPBELL MCGOWN

CLASS OF 2017

When Campbell was young he wanted to follow in the footsteps of his father and become a policeman.

WHAT HAS HE BEEN UP TO?

Campbell was Mount Waverley Secondary College School Captain 2017. After high school Campbell studied a Bachelor of Automotive Engineering at RMIT University graduating in November 2021. He recently finished working at Bunnings where he spent 5 and half years in a supervisory role.

WHERE IS HE NOW?

For the last few months Campbell has been working at a car crash repair workshop, CARe Automotive Group, in Clayton, while hunting for a full-time engineering job. He has been training new staff at the workshop, using the handy skills he learnt from the Mount Waverley Secondary College leadership program and from the Bunnings supervisory role.

Since 2018 Campbell with his friends have been managing a basketball club called Syndal Storm. They started Syndal Storm as a way to promote youth sports and aim to keep teams together for the long term to build chemistry and maintain a close-knit community. They now have 4 teams and have gained some major sponsorships from Anytime Fitness and Wilson Transformer Company.

SOMETHING YOU MAY NOT KNOW ABOUT HIM

Campbell joined the MG Car Club and started racing cars in his early teens.
